WASHINGTON, D.C. CHAPTER
U.S. NAVAL ACADEMY ALUMNI ASSOCIATION

ANNUAL ALUMNI NEWSLETTER

The Chapter resumes its regular monthly meetings for FY80 in the Koran Room, Ft. Myer Officers Club, at 1130 on September 19. The Guest of Honor will be Admiral Roy L. Johnson, USN (Ret.) '29, President of the Alumni Association. The Admiral is a member of the Tidewater Chapter and lives in Virginia Beach.

The Chapter will meet on the third Wednesday of each month through May. The social hour commences at 1130 and lunch will be served at 1215. The question-and-answer period which traditionally has followed the "off-the record" remarks by our speakers will conclude no later than 1330. The slightly earlier meeting times should facilitate member parking near the Ft. Myer Club. Ample parking is available in the two lots adjacent to the Club and on nearby streets on a first-come basis.

For those dependent on Metro, there is a Metrobus stop at the Main Gate opposite North Pershing Drive, a three block walk from the Club. DOD buses from the Pentagon and military offices in Rosslyn and Crystal City are available for authorized personnel.

We are continuing our request for your voluntary contribution of \$10, in lieu of assessing regular dues. As an economy measure, the Chapter Council has agreed that all mailings subsequent to the October luncheon notice will be based solely on the information provided by the enclosed questionnaire. The rapidly increasing costs of mailing notices preclude courtesy mailings except in certain unusual circumstances.

With the winds of controversy swirling about our heads in the economic, political and military arenas, we anticipate a lively year for your Chapter and for you. Chapter members extend a warm invitation to our active duty alumni, newcomers to the area, and certain of our more casual attendees to join us on a regular basis.
